I am 39 years old, I have 2 amazing boys, and when I'm not at the salon, you will most likely find me carpooling to games and practices or up in the stands cheering on my favorite players. I grew up in a small town and started cutting and coloring my friends and family's hair when I was about 13. I decided to go back to school in 2010 to The Salon Professional Academy and turn my passion into my career. I love cutting, coloring, color correction, shaping, extensions, styling, waxing, updos and formal styles. I also love taking continued education classes to stay up to date on the latest styles, cuts, new techniques and products.

If you're looking for a new stylist, haven't found the right stylist, new to the area or whatever your hair needs are, I would love to see you in my chair. Thank you for taking the time to read my profile and I hope to see you soon!
